

Japan Tourism Seminar at the Residence of Consul-General of Japan

On February 5, the Consulate-General co-hosted the Japan Tourism Seminar with the Japan National Tourism Organization (JNTO) at the Residence of Consul-General of Japan in Dubai. More than 70 participants from tourism industries in Japan and the UAE attended the seminar. The seminar, which was aiming at expanding inbound tourism in Japan, provided presentations by the JNTO and Universal Studio Japan, and coordinated the panel discussion focusing on various challenges to overcome in Japanese tourism industry. After the seminar, the participants from Japan and UAE were very active for networking and exchange of views on Japan tourism during the dinner serving Japanese cuisine.
